RE: Hazardous Waste Transporter License
N.J.S.A. 13:1E-126 et seq.

Dear Ms. Rojas:

This is to advise you that the investigative report from the Attorney General required under N.J.S.A. 13:1E-126 et seq. has been received by the Department of Environmental Protection.

Based on our review of the aforementioned investigative report, the Department had issued a Solid Waste Transporter License on May 16, 1995 and is hereby issuing a Hazardous Waste Transporter License to:

LETICIA, INC.

This letter will serve as documentation that a hazardous waste transporter license has been issued. This license must be renewed annually by filing the Annual License Update form and any other change of information concerning your company or its operation as required by the Department.

You should be aware that your company must undertake provisions for a training program in the safe management of hazardous waste for all employees who will handle such waste. Any transportation equipment must be registered prior to commencing operations. Questions regarding equipment registration of the above license should be directed to the Bureau of Hazardous Waste Regulation at (609) 292-7081.

Sincerely,

Norine Binder
